FURNITURE TIPPING RESTRAINT

WARNING: Injury may result from tipping furniture

This restraint is not a substitute for proper adult supervision. This restraint may provide protection against tipping furniture. Do not allow children to climb on furniture. Failure to detach this restraint before moving furniture may result in injury and damage.

▲ Important Wall Mounting Instructions

For added safety and stability, it is recommended that the wall mounting hardware be installed. For safe mounting, it is essential to use wall anchors appropriate to your wall type (i.e. plaster, drywall, concrete, etc.). Mount to wood studs whenever possible.

Note: If you are unsure about your wall type or what mounting method you should use, consult a qualified professional or your local hardware store.

There is an Anti Tipping kit supplied with this furniture. It can be located either:

- Attached to the back of the furniture,
- Within a drawer or behind a door of the furniture,
- Within the box package of the furniture.

IF YOU CANNOT LOCATE AN ANTI TIPPING KIT, PLEASE CALL THE STORE OF PURCHASE IMMEDIATELY AND THEY WILL SUPPLY ONE.

Installation Instructions

1. A minimum of one (1) Anti Tip restraint is recommended for all furniture over 500mm in height.
2. Ensure the Anti Tip is attached securely to the back of your furniture.
3. Drill a hole in the wall.
4. Insert plug and screw into the wall ensuring it is very strong.
5. Secure the cable connection between the wall screw and the screw on the back of the furniture. Ensure this connection is very strong.

IMPORTANT NOTE: If the hardware supplied is not suitable for your wall design, consult a professional or a hardware store for an alternative wall attachment hardware.
