MECCA

FEATURES & BENEFITS

- Handcrafted by artisans in Indonesia
- Made from reclaimed teak wood
- Each piece of timber has had a past life from uses such as old Javanese houses, buildings and old boats
- Efforts are made to maintain some of the rustic elements of the reclaimed timbers, meaning each piece will be slightly different but very unique.
- Teak has a high natural oil content which acts as a natural sealer against certain stains, however care should be taken and placemats used.
- The reclaimed teak is finished in a washed Chocolate stain that adds depth of colour through the grain
- Buffet sits on sturdy crossed metal legs with slim metal handle pulls finished in brass
- The Oblong dining table sits on a strong spider leg with a thin profile
